

NEW YORK STATE SENATOR

Catharine Young

Long Point Rally

Catharine Young

March 9, 2010

I had the privilege of speaking at a rally supporting Long Point State Park on this past Saturday, March 6. I will be hosting a Rally this coming Saturday March 13 from 12-3 at the Quaker Beach Area in Allegany State Park. Please come out, show your

support and let the Governor know that we need to keep our parks open. Also please take a minute and sign my petition to save the parks.
