

NEW YORK STATE SENATOR

Who Do You Consider Women of Distinction?

SUZI OPPENHEIMER March 17, 2010

| ISSUE: **WOMEN**

In honor of Women's History Month, I was talking in Albany with our group of female senators about the important women in each of our lives and how the pioneering women who went before us years ago made it possible for us to hold office. Now I would like to hear from you about the strong, dynamic, wonderful women who impacted your life, who paved the way in your field, and who made you who you are today. Please share your stories with me and help pass along their wise words.
