

NEW YORK STATE SENATOR

John A. DeFrancisco

Senator DeFrancisco Participes in the Dedication of the Syracuse Center of Excellence

JOHN A. DEFRANCISCO March 19, 2010

| ISSUE: **ENVIRONMENT**

Syracuse Center of Excellence's headquarters is a new national resource to promote collaborations in research, demonstration, commercialization, and outreach projects relating to sustainable built environments. It is the hub of an emerging regional innovation cluster that engages hundreds of firms and institutions from throughout NYS, across the U.S., and around the world.
