Senator Owen Johnson welcomed students from the YES After School Program in Bay Shore recently. They visited his Babylon Office to learn more about his job as an elected official.

YES is a not-for-profit providing services for youth and their families residing in the Bay Shore, Brentwood, Central Islip and West Islip communities. The organization works closely with the school districts and other community organizations with a mission to serve and empower youth and their families while creating a safe and healthy environment. Visit their website at: www.yesnews.org
