

NEW YORK STATE SENATOR

John J. Bonacic

Delaware Youth Center in Callicoon

JOHN J. BONACIC May 17, 2010

A tid-dyed wall hanging was recently presented to Senator John Bonacic by Tess McBeath of the Delaware Youth Center in Callicoon. The hand-printed work of art was created as a thank you by some of the children who enjoy the playground at the Youth Center, which was purchased and installed in 2008 thanks to funding secured by Senator Bonacic. The old playground was destroyed in the flood of 2006.
