

NEW YORK STATE SENATOR

John J. Bonacic

Senator Bonacic attends Press Conference at Kolmar Labs in Port Jervis

JOHN J. BONACIC May 19, 2010

On Wednesday, May 19, 2010 Senator Bonacic attended a press conference at Kolmar Labs where Kolmar indicated that they would be staying in Port Jervis for many years to come. Kolmar Laboratories is an industry leader in cosmetic care and personal care manufacturing and has been based in Port Jervis since 1943 and employs approximately 500 people at this location.
