MICHAEL F. NOZZOLIO June 1, 2010

WATERLOO- Senator Mike Nozzolio recently stopped to congratulate the members of the Sampson Veterans Memorial Cemetery board of directors and their volunteers on their very successful golf tournament. Proceeds from the event will benefit the cemetery. Senator Nozzolio helped to create the cemetery as a final and peaceful resting place, that will serve as a lasting, permanent memorial to those who answered the call of duty, and served their nation with honor and dignity.
