Bagel Bin Hosts Book Signing and Jewelry Show

JOSEPH E. ROBACH July 26, 2010

Senator Robach joins the women of Katie Shirley's Closet. Stephanie Shirley, the mother of one of the five "Fairport Angels" who died in a car accident in 2009, started the business as a tribute to her daughter, Katie. The group donates proceeds from their jewelry sales to the Daystar Program for Medically Fragile Infants.
