

NEW YORK STATE SENATOR

Michael F. Nozzolio

Rebuilding Buford

MICHAEL F. NOZZOLIO September 1, 2010

Senator Nozzolio recently attended the Rebuilding Buford benefit in Walworth. The benefit was to support Vaughn "Buford" Pembroke, who recently suffered a motorcycle accident in May. Buford spent his life giving back to the community, contributing to the Boy Scouts of America and the Lions Club, as a member of the West Walworth and Lincoln Fire Departments, and as a member of the Wayne County School Board. Senator Nozzolio was honored to be a part of Buford's benefit.
