On Monday, September 20th, 2010, the Greece Chamber of Commerce dedicated a new kiosk and three-panel mural underneath the Elmgrove Road bridge at Henpeck Park in Greece. The mural, located on the Erie Canal, was designed by artist Stacey Kirby and depicts three stages of the canal in Greece. The ribbon-cutting ceremony was held as a part of World Canals Conference, which is taking place through Thursday this week. Events are scheduled for Spencerport, Brockport, Pittsford, Fairport, Bushnell's Basin and Buffalo.
