Zotos Wind Turbine Groundbreaking

MICHAEL F. NOZZOLIO September 30, 2010

Senator Mike Nozzolio recently spoke at the groundbreaking ceremony for Zotos International's wind turbine project. Zotos is at the forefront of green innovation, embarking on the largest wind turbine project by a manufacturer in the country. Senator Nozzolio was proud to support this project and commended Zotos for their dedication to creating jobs, growing the local economy, and protecting the environment.
