

NEW YORK STATE SENATOR

Michael F. Nozzolio

Magee Fire Department

MICHAEL F. NOZZOLIO October 6, 2010

Senator Mike Nozzolio recently had the opportunity to meet with members of the Magee Fire Department to see their new fire and emergency rescue equipment. As first responders for accidents on the nearby New York State Thruway, this equipment is critical when seconds count and a person's life is at stake. Senator Nozzolio was very proud to have helped the Department to purchase this equipment. Their dedication and commitment to protect the safety of their community is truly outstanding.
