On Friday, October 8th, St. John Fisher College held a groundbreaking ceremony for the Polisseni Track & Field Complex. The College is adding an eight-lane, 400-meter competition track with a grass infield. Components will be installed in the infield for shot put, pole vault, and long jump events. In addition, there will be bleacher seating for approximately 1,000 people, with locker rooms for the student-athletes and public restrooms.
