Fall 2010 Albany Update

LIZ KRUEGER November 29, 2010

| ISSUE: **AGING, FAMILIES, ECONOMIC DEVELOPMENT, CONSUMER PROTECTION, EDUCATION**

Dear Friend,

In the last year, there has been a number of important developments in transportation, education, land use and housing in the 26th District that I want to make sure you are aware of. Additionally, in this newsletter, I have included some information about upcoming community events I am hosting, as well as opportunities for you and your family to get involved. I hope you find this information helpful.
