

NEW YORK STATE SENATOR

Owen H. Johnson

The Town of Babylon's Hazardous Material Vehicle, geared and outfitted specifically for hazardous material incidents.

OWEN H. JOHNSON December 2, 2010

Photo caption: Steve Bellone, Supervisor, Town of Babylon; Senator Owen H. Johnson; and Charles Marsh, First Assistant Chief, Wyandanch Fire District show off the Town of Babylon's Hazardous Material Vehicle, geared and outfitted specifically for hazardous material incidents. Senator Johnson procured funding for the vehicle. The Town of Babylon Homeland Security & Hazardous Material Team has been established to respond to all man-made and natural events where the release or threatened release of hazardous materials is present.
