

NEW YORK STATE SENATOR

Catharine Young

HERO REMEMBERED

CATHARINE YOUNG December 5, 2010

| ISSUE: **VETERANS**

It is with great sadness to report that World War II hero Kenneth Johnson (in photo on right) has passed away as a result of injuries sustained in an automobile accident. Our sincere sympathies go out to the Johnson family and we pray for the speedy recovery of his great grandson. Recently we were able to honor Kenneth and below is a link to an article about that special day.
