Recently, I had the opportunity to attend, and speak at, a ceremony to mark the ...expansion of St. Ann's Community. A new building on St. Ann's Irondequoit campus will house a transitional care center with 72 beds and a palliative care center with 10 beds. A new building on St. Ann's Cherry Ridge campus in Webster will house a long term care center with 60 beds and a transitional care center with 12 beds. The construction is expected to be completed and the buildings occupied by March 2012.
