

NEW YORK STATE SENATOR

Eric Adams

Senate Finance Blue Book 2011

ERIC ADAMS February 22, 2011

| ISSUE: **FINANCE, LEGISLATURE**

[Senate Finance Minority - Staff Analysis of the 2011-12 Executive Budget](#)

The data prepared by Finance Committee staff and provided in this document will provide greater insight into specific proposals within the Executive Budget which must be discussed in depth and modified when necessary. This process will ensure an equitable budget which creates jobs, controls spending and, ultimately, continues to address the day-to-day needs of New Yorkers and protect the most vulnerable residents of our State.
