| ISSUE: **BUDGET**

For everyone interested, **I've posted the results** of my recent online survey on Governor Andrew Cuomo's 2011-2012 New York State budget.

The survey received an encouraging response from across the 53rd Senate District. It shows that many local residents are giving careful thought to New York's economic and fiscal challenges.

And if you haven't had a chance to respond to the survey but would like to, **it's still available on my website** and I continue to invite your input.

These are short- and long-term challenges that we're facing, so your responses will continue to be very useful.
