Senator Rivera Visits Kingsbridge Heights Community Center, Ribbon Cutting Ceremony

Gustavo Rivera

March 31, 2011

On March 25th, Friday afternoon, Senator Rivera visited the Kingsbridge Heights Community Center's new 'Room to Grow' program. Over a hundred parents and toddlers came out to celebrate the opening. That same afternoon, the Kingsbridge Heights Community Center hosted a Safer Sex/AIDS Awareness fair Event, where Senator Rivera stopped in to greet parents and kids.

Thanks to Anne Rousselot for the pictures!
