Senator Jack M. Martins dropped by the Elmont Soccer Club to catch a game and root-on some of Elmont's "great" soccer stars. Elmont Soccer President Richard "Kiki" DeBrosse welcomed Senator Martins to the game and introduced him to parents, soccer players and community members throughout the game.

"This is the second time I've come by Elmont Soccer this month. The first time I was able to check out the practices and see our young people learning the fundamentals. Today, I got to see their skills in action. It was a great game and I congratulate Elmont on their win. I also want to thank the parents, Kiki and the kids for their warm hospitality," said Senator Martins.
