

NEW YORK STATE SENATOR

George D. Maziarz

Niagara Power Project celebrates its 50th anniversary

GEORGE D. MAZIARZ June 28, 2011

| ISSUE: **ENERGY**

| COMMITTEE: **ENERGY AND TELECOMMUNICATIONS**

Senator George Maziarz spoke at a ceremony today marking the 50th anniversary of the Niagara Power Project in Lewiston. The facility, which opened in 1961, is the third largest hydroelectric plant in the nation.
