

NEW YORK STATE SENATOR

Joseph E. Robach

Breaking Ground on Paul Wolk Common Apartments

JOSEPH E. ROBACH July 18, 2011

| ISSUE: **ECONOMIC DEVELOPMENT, HOUSING, MENTAL HEALTH, CONSTRUCTION, COMMUNITY DEVELOPMENT**

On Friday, July 15th, I had the opportunity to speak at, and participate in, a ground breaking ceremony at the future site of the Paul Wolk Common Apartments on State Street in Rochester. The new Wolk Commons is an \$8.5 million project that will create 45 mixed-use apartments, most of them for people with mental disabilities. Paul Wolk Commons is expected to open in Spring 2012.
