Camp NorthPoint Attempts World Record

JOSEPH E. ROBACH July 26, 2011

| ISSUE: **YOUTH**

Recently, Senator Robach had the opportunity to visit with campers at YMCA Camp NorthPoint in Greece as they attempted to set a world record. On Thursday, July 21st, YMCA campers all across the country roasted marshmallows for 15 seconds in an attempt to set the world record for most people roasting marshmallows at the same time. 221 people were at Camp NorthPoint as a part of this feat.
