

NEW YORK STATE SENATOR

John J. Bonacic

The new Orange Regional Medical Center Ribbon-Cutting Ceremony in the Town of Wallkill

JOHN J. BONACIC August 1, 2011

| ISSUE: **HOSPITALS**

On July 29th, 2011 Senator Bonacic attended and spoke at the celebratory ribbon-cutting ceremony for the new Orange Regional Medical Center. Orange Regional is the first new hospital in New York State in over twenty years. This new state-of-the-art facility located in the Town of Wallkill will provide families with high-tech healthcare services that were previously unavailable in our area.
