

NEW YORK STATE SENATOR

Betty Little

SLIC Broadband Buildout Moving Forward in Dickinson

BETTY LITTLE August 12, 2011

| ISSUE: **BROADBAND**

State Senator Betty Little is pictured with a team from SLIC Network Solutions (www.slic.com) as work continues on their deployment of fiber optic broadband in the town of Dickinson, Franklin County. Senator Little applauded the progress being made in this rural area to bring homes and businesses online in support of economic development.
