

NEW YORK STATE SENATOR

David Carlucci

Public Comment Period Regarding Hydrofracking Now Open

DAVID CARLUCCI September 7, 2011

The NYS Department of Environmental Conservation has released their revised draft report on hydrofracking, opening the 90 public comment period. Your input is very important. You can follow this link to leave your comment <http://www.dec.ny.gov/energy/76838.html>.

The revised draft report can be found here <http://www.dec.ny.gov/energy/75370.html>.
