| ISSUE: **HEALTH**

On Saturday, September 17th, Senator Robach had the honor to speak with, and visit with, participants prior to the start of the 2011 Rochester Walk to Defeat ALS at Ontario Beach Park. For more information on the great work that the ALS Association of Upstate New York does in our community, click http://webuny.alsa.org/site/PageServer?pagename=UNY_homepage to visit their website. Great job to all those who took part in this year's walk to raise money for this important cause!
