Last week, I had the opportunity to visit with employees and customers at the newest Tops Friendly Market store in Hilton. The Hilton location is the 15th store in Monroe County and the 133rd store in the company's New York/Pennsylvania market.

Shoppers at the Hilton Tops will see immediate changes in the 27,000 square-foot location such as exterior signage, aisle signs, the addition of Tim Horton's kiosk and increased product

variety, including Tops brand products.

More renovations are on the way to the store, which are expected to begin in early January and be completed in the spring.

There are approximately 32 full-time and 50 part-time associates at the Hilton location.
