## Commemorating National Domestic Violence Awareness Month

JOSEPH E. ROBACH | October 5, 2011

| ISSUE: **CRIME, VICTIMS**

On Wednesday, October 5th, Senator Robach had the privilege to attend a press conference in commemoration of National Domestic Violence Awareness Month. The press conference, hosted by Alternatives for Battered Women, was held at the Crime Victims' Resource Center, in Rochester. I have been happy to work with advocates, law enforcement, and victims to sponsor legislation, which has strengthened domestic violence laws.
