GM Welcomes Community To Holdings Plant for Open House

JOSEPH E. ROBACH October 7, 2011

| ISSUE: **LABOR, TRANSPORTATION, CORPORATIONS**

On Wednesday, October 5th, Senator Robach had the opportunity to attend an open house at the General Motors Holdings Plant on Lexington Avenue in Rochester. The open house was a way to say thank you to our community for the support that the company has received. Thousands of people took advantage of the open house to see many of the products made right here in our back yard. It was great to meet so many of the employees and see the members of our community who came out to support this open house.
