CORRECTION

CATHARINE YOUNG October 21, 2011

Please note the following correction:

I recently sent out a mailer to sportsmen giving details on the 2011 hunting and trapping seasons.

Regrettably there was a typographical error and I apologize for any confusion.

Here are the correct information and dates:

2011/12 Trapping Season Dates for Raccoon, Red Fox, Gray Fox, Skunk, Coyote, Opossum, and Weasel:

October 25 - February 15

Sorry for any inconvenience and I hope everyone has a successful season.
