On Friday, November 11th, Senator Robach had the privilege to speak at a press conference to kick-off National Hunger & Homelessness Awareness Week. The event was held by the Open Door Mission, which will mark a 59 year tradition of serving hundreds of Thanksgiving meals to our area's most vulnerable citizens.

Here he is photographed with (from left to right) Chris Scribani of the Open Door Mission, Patty Lark from Congresswoman Slaughter's office, Michael J. Hennessy, Executive Director of the Open Door Mission, Darryl W. Porter, Assistant to the Mayor, and Monroe County Executive Maggie Brooks.
