| ISSUE: **ECONOMIC DEVELOPMENT**

On Friday night, January 6th, I had the privilege to attend the grand opening of the Rochester Arc and Flame Center. The Rochester Arc & Flame Center (RocAFC) is a 5,000 square-foot training facility designed specifically for welding, glass working and blacksmithing. The mission of RocAFC is to foster exciting and innovative classes for people of all skill levels. Rochester Arc & Flame Center is the only training facility in upstate New York to offer professional and recreational classes in welding, glass working and blacksmithing. For more information, visit their website at <http://www.rocafc.com/>, or you
