Senator Malcolm A. Smith (D-St. Albans) held his 12th Annual Send-A-Vet-A-Valentine program today at the St. Albans Community Living Center and the New York State Veterans Home at St. Albans. Smith distributed over 200 goodie bags filled with socks, clothing, fun games and exercise equipment. All items were donated by WellCare, Healthfirst and Vietnam Veterans of America Chapter 32.

"Veterans have endured a lot and deserve to be honored and appreciated. It is my hope that I will be able to help all veterans, not just the ones in my district to receive the best services possible," Smith said.
