Rochester, NY - On Thursday, April 26th, the New York State Senate celebrated West Point Day. This annual celebration is held to honor all of those brave men and women who have served, and continue to serve our Country, both at home, and overseas. Thank you to all of our servicemen and women for their dedication and courage. Here I am pictured with retired Lieutenant Colonel Bill Larkin, who served 23 years on active duty in the United States Army, and is now my colleague in the Senate.
