

NEW YORK STATE SENATOR

Michael F. Nozzolio

Senator Nozzolio attends the opening of the new Finger Lakes Community College campus center in Geneva

MICHAEL F. NOZZOLIO May 30, 2012

Geneva- I recently participated in a ceremony at the site of the new Finger Lakes Community College campus center in Geneva. The project when completed will provide Ontario County residents with State of the art classrooms and technology and will boost the local economy by creating additional jobs and bring much needed revenues to the City of Geneva and its surrounding area.
