Senator Joins Former Yankees Cecil Fielder and Bernie Williams at Ridge Hill

ANDREA STEWART-COUSINS July 30, 2012

On July 16th, Senator Stewart-Cousins had the distinct pleasure of introducing Bernie Williams and his All Star Band during one of many free summer concerts hosted by Forest City Ratner and WFAS at Ridge Hill.

Led by New York Yankees great Bernie Williams, the band played to the delight of hundreds who enjoyed "smooth" music on a hot summer evening. Also in attendance was former Yankee Cecil Fielder.
