Cheering on the Brave Men and Women Who Participated in the Wounded Warrior Soldier Ride

OWEN H. JOHNSON August 2, 2012

| ISSUE: **MILITARY, VETERANS**

Senator Owen H. Johnson and Assemblyman Phil Boyle joined with other elected officials and members of the community to cheer on the brave men and women who participated in the Wounded Warrior Soldier Ride through Babylon on July 20th. The event raised money and awareness for members of our military who have been wounded in combat. The Wounded Warrior Project's Soldier Ride is a rehabilitative cycling program for injured servicemen and women, giving them the opportunity to reinvigorate their bodies and showing them how much life still has to offer.
