

NEW YORK STATE SENATOR

John A. DeFrancisco

Senator DeFrancisco Tours a New Laboratory at Cooper Crouse-Hinds in Syracuse

JOHN A. DEFRANCISCO August 10, 2012

| ISSUE: **ECONOMIC DEVELOPMENT**

State Senator John A. DeFrancisco tours a new laboratory at Cooper Crouse-Hinds in Syracuse. The plant credits a state grant in allowing it to expand and create jobs. The Senator also joined Governor Cuomo for a press conference following his tour of the facility.
