MARTIN J. GOLDEN September 7, 2012

| ISSUE: **CRIME**

State Senator Martin J. Golden welcomed the Graffiti Free New York City program to 18th Avenue, between 66th Street and 67th Street.

Through the efforts of Senator Golden's office, graffiti waivers have been submitted to the City of New York to authorize the cleaning of graffiti from 6621 and 6623 18th Avenue following recent reports. Senator Golden encourages residents and stores to submit the necessary waivers to his office so to have the Graffiti Free NYC program help to improve the quality of life of our commercial streets.
