

NEW YORK STATE SENATOR

Malcolm Smith

Condemning the outrageous acts of senseless violence.

MALCOLM A. SMITH September 12, 2012

I join President Obama in condemning the outrageous acts of senseless violence carried out by a few misguided individuals. Our thoughts and prayers go out to the family and loved ones of U.S. Ambassador J. Christopher Stevens and the others who lost their lives in the service of our country. As we continue to commemorate the events of September 11, 2001, it is important that the rest of the world know that America is united, acts against our people will not be tolerated, and we will stand up for human rights throughout the world.
