SENATOR JOHN BONACIC ATTENDS GROUNDBREAKING FOR SUNY ORANGE'S CENTER FOR SCIENCE AND ENGINEERING

JOHN J. BONACIC September 19, 2012

| ISSUE: **CONSTITUENTS CORNER**

Ceremonial Groundbreaking for SUNY Orange's Center for Science and Engineering on Tuesday, September 18th, 2012. This four-story, 100,000 square foot building will provide a fitting home for the College's science, engineering and architecture programs, allowing students and faculty a state-of-the-art teaching and learning atmosphere.
