2012 Dictionary Project Wraps Up

JOSEPH E. ROBACH September 26, 2012

| ISSUE: **CHILDREN, YOUTH**

Earlier this morning, I had the privilege to distribute new dictionaries to third grade students at Craig Hill Elementary School in Greece. This was the 11th and final school, in the Hilton and Greece School Districts, to receive new dictionaries this school year. Thank you to the Rotary Clubs of Hilton and Greece for their support in this project once again. Best wishes to all of our students for a successful 2012-2013 school year!
