Nazareth Opens Peckham Hall

JOSEPH E. ROBACH September 28, 2012

| ISSUE: **HIGHER EDUCATION**

On Thursday afternoon, I had the privilege to attend the grand opening ceremony for Peckham Hall on the campus of Nazareth College in Pittsford. Peckham Hall will serve as the Integrated Center for Math and Science. The \$30 million dollar building features classroom and lab lecture rooms with modern technology and 20 labs to serve science, math, and computing areas of studies.
