Senator Jack M. Martins recently attended the 4th Annual Mineola Street Fair. Merchants, community leaders and residents were out in full force as the village's downtown was busy and alive with music. The fair was sponsored by the Mineola Chamber of Commerce and the Village of Mineola.

While at the fair, Senator Martins met up with Mineola Mayor Scott Strauss and Deputy Mayor Paul Pereira. The fair began four years ago when Senator Martins was serving as the

Mayor of the Village of Mineola as a way to promote the downtown area and its businesses as well as the many worthwhile community organizations the village is blessed to have.
