

Senator Martins Holds Mobile Office Hours in Great Neck

JACK M. MARTINS October 11, 2012

ISSUE: LOCAL GOVERNMENT, CONSTITUENTS CORNER

COMMITTEE: LOCAL GOVERNMENT

Senator Jack M. Martins met with residents at the Great Neck Library to discuss issues important to the community. Among the issues discussed were hydo-fracking and local zoning. Senator Martins believes strongly in meeting with residents to listen to their questions and concerns. It's why he has scheduled mobile office hours throughout the Seventh Senate District.
