On Thursday evening, I had the privilege to speak at the 11th Annual Wilson Magnet High School International Baccalaureate Diploma Programme Induction Ceremony. Prior to the ceremony, I also had the opportunity to meet the great young men and women who enter this program as the Class of 2014! For more information on this very successful program, visit <http://www.rcsdk12.org/page/17007>. Best wishes to all the students on continued success!
