

NEW YORK STATE SENATOR

Martin Malavé Dilan

Senator Dilan Urges Residents to Remain Inside, Off Roads as Emergency Crews Continue Clean Up

MARTIN MALAVÉ DILAN October 30, 2012

As Emergency Responders and utility crews make their way through our communities it is imperative that people stay inside and off the roads. Unnecesary travel can put you at risk and create major obstacles for emergency services vehicles to get to those in immediate need.

Use 911 in an emergency where life/safety is threatened. [311 Online](#) and calling 311 should be used in all other circumstances.
