Recovering Financially

JOHN L. SAMPSON October 29, 2012

| ISSUE: **NATIONAL DISASTERS**

In addition to the physical and emotional impact of a disaster, you may also face financial challenges in the days, weeks and even months or years ahead. Of course, ensuring your family's physical safety is your first priority. Afterward, you can begin to take practical steps to recover your financial well-being by visiting www.redcross.org/find-help/disaster-recovery/recovering-financially
